WORK EXPERIENCE

USC Viterbi K-12 STEM Center

Technical Program Manager

Feb 2026 - Present

- Launched a partner engagement platform (SCALE) supporting 50+ organizations (~3K+ users) by leading end-to-end SDLC execution, defining roadmap and OKRs, and coordinating a team of 4 engineers across 7 Agile sprints
- Improved stakeholder alignment and execution visibility by consolidating KPIs, risks, decisions, and program status into weekly updates for cross-functional leadership
- Cut development effort by 70%+ by launching a Gemini-powered chatbot and validating usability through A/B testing with non-technical users
- Reduced deployment risk across 3 system integrations by triaging bugs in Jira and enforcing QA milestone gates across 5 releases
- Increased partner data reliability by ~35% by building a SQL/Python pipeline and standardizing 1500+ documents across 50+ partners

USC Rossier School of Education

Program Manager | Global Ed. D. Program

July 2024 - July 2025

- Increased operational efficiency by ~20% across 3 educational programs by redesigning 5 workflows and eliminating process bottlenecks
- Accelerated leadership decision-making by ~40% by developing executive dashboards and reports in Excel that transformed operational data into actionable program insights
- Streamlined order management by tracking material/supply orders & processing vendor requests across programs to ensure on-time delivery
- Reduced delivery risk across 2 strategic programs by implementing resource planning mechanisms in Monday.com that surfaced risks early

Freelance (Multiple Clients)

Project Management Associate | Infrastructure & Digital Transformation Program

June 2023 - Dec 2023

- Secured approval for 3 procurement proposals supporting a \$7.8B energy project by developing PRDs, defining resource requirements, and translating technical process diagrams into executable project plans
- Mitigated procurement planning risk by coordinating RFQ/RFP cycles across 15+ suppliers, managing vendor communications, and maintaining cost visibility throughout project milestones
- Delivered a nonprofit website 1 month ahead of schedule by aligning 3 stakeholders to digitize donor outreach, campaigns, and operational workflows, reducing manual coordination effort by ~60%

Enpro Industries PVT. LTD

B2B manufacturer of fluid systems and process equipment for global Oil & Gas, Hydrogen, and Renewables sectors; 33+ years in operation

Project Management Intern | Renewables Department

Aug 2022 - Jan 2023

- Secured \$550K+ in contracts by executing RFQ/RFP cycles across 4 clients, and managing internal and external stakeholders
- Identified 15% cost savings for renewable energy products by benchmarking 10+ suppliers and recommending NPI sourcing strategies
- Reduced procurement cycle times by 20% by building a supplier evaluation framework and optimizing sourcing workflows in SAP ERP
- Improved vendor responsiveness by 25% by establishing centralized reporting mechanisms & standardizing supplier communication process

SKILLS

Programming Languages: Python, R, SQL, HTML, CSS, JavaScript

Tools: Asana, Jira, Trello, Confluence, MS Project, MS Office, Google Workspace, Tableau, Power BI, SAP ERP, Gemini API, Figma

Methodologies: Agile/Scrum, SDLC, PMBOK, Lean Six Sigma, Waterfall, OKR Framework, Risk Management

LEADERSHIP EXPERIENCE

LAHSA Homelessness Project - Dworak-Peck School of Social Work | Team Lead/Data Collector

Dec 2024 – Mar 2025

LA's lead public agency coordinating homelessness housing and services across Los Angeles County.

- Led field data collection for LAHSA across 15+ sites, conducting 250+ surveys with a 4-person team, reducing data-cleaning effort by 35%

USC Housing Digital Platform Initiative | Project Manager - [Link](#)

Jan 2024 - May 2024

- Delivered planning and risk management for a 50K-user platform by prioritizing features, aligning cross-functional teams on scope, defining OKRs and KPIs, managing scope changes through MS Project planning, and mitigating privacy, fraud, and verification risks

EDUCATION

University of Southern California, Viterbi School of Engineering

Master of Science in Engineering Management | GPA: 3.84/4.00

Graduation Date: Dec 2025

- **Campus Involvement:** Mentor at USC Graduate Student Mentorship Program | DEIA Committee Member, Daily Trojan
- **Relevant coursework:** Project Management, Economics, Global Operations Management, Leading & Managing Teams, Business Analysis

University of Pune | Bachelor of Technology in Mechanical Engineering | GPA: 3.9/4.00

Graduation Date: May 2023

Certifications: Google Project Management | **Credential ID** - VJXOSPTY8Z8E || IBM Business Analyst | **Credential ID** - DLYDZUS 87E0L
